YARWOOD CONSTRUCTION
The Home Improvement Specialist

Hi our Company would like to take a minute to introduce Our Selves !

Yarwood Construction is a well-established building Contractors based in Tameside, Manchester. Specialising in extensions, renovations and conversions.

We are a company that prides our self's on customer care. With a simple business model of improving the lives of our clients not just their homes and hopefully making some genuine connections along the way. We guarantee that the all our work will be completed on-time, on-budget, and above all else to the highest possible standards. We have gained a profound reputation throughout Greater Manchester and the North West for our reliability, professionalism and over all build quality.

Being a family run business has helped us over the years to build such fantastic long-lasting relationships with some many incredible family's across Manchester. So from our family to yours, I sensorially hope we can work together to build the home of your dreams.

Previous Client Testimonials

"Yarwood's, have completed a large kitchen extension and an additional bedroom recently for us and we have been really impressed with both the work and the people themselves. Everyone working on our house were really friendly and involved us in all decisions along the way. From the first meeting with Liam to discuss our plans and get our quotation to working with Jordon, Dan and the other lads whilst the work was completed. The whole process was stress free. The work quoted was completed within the planned time frame. This is the second time we have used them after they worked on our loft earlier in the year. The price for all the jobs were very competitive. We wouldn't hesitate to use them again in the future and we would highly recommend them to everybody."
